Education

Higher Secondary	Jun, 2008-May, 2021

The Study L'ecole International, Puducherry

I have studied in this school since 1st grade. My school is a French funded school, so I have a different and multi accent. My school is NABET Certified School. I got into the integrated program of my school with 0 additional cost due to my excellence in my academics. I studied in this school for 12 years.

B.Tech CSE	Oct, 2021-Present

Amrita Vishwa Vidyapeetham,Chennai

I choose this university after my higher studies, because of the toughness of the course structure and the infrastructure. My university was ranked number 3 among the universities of India in NIRF, and as number 1 university among the private. I got admission to the CSE department through Amrita Entrance Examination.

Achievements

Phobos	25th April 2022

My team and I participated in a competition named Phobos, I was the team lead and contributed to web development. We secured first place.

M#	13-15th October2022

My team and I participated in a national-level hackathon called M# conducted by MIT, Manipal. We got shortlisted for the final round which consist of the top 25 teams alone among 3k participants and gave a tough competition in the final round and got the participation certificate. I was the team lead and contributed to Flutter development, backend and DevOps.

Proxy	23th October2022

My team and I participated in GECT(Government Engineering College, Thrissur) hackathon named as proxy and we got short-listed for the final round which consist of 10 teams.
